Are you supplying additional information on submitted plans, draw	wings or a design and access s	tatement? Yes	○ No
If Yes, please state references for the plans, drawings and/or des	sign and access statement		
Please refer to information in the Design and Access Statement			
8. Pedestrian and Vehicle Access, Roads and Rig	ghts of Way		
Is a new or altered vehicular access proposed to or from the publ	lic highway?	Yes	□ No
is a new or altered pedestrian access proposed to or from the public highway?			
Are there any new public roads to be provided within the site?			
Are there any new public rights of way to be provided within or adjacent to the site?			. ● No
Do the proposals require any diversions/extinguishments and/or creation of rights of way?			. ● No
If you answered Yes to any of the above questions, please show	details on your plans/drawings	and state their reference numbe	rs
Please see the attached information by Martin Andrews Consulta	incy.		
9. Vehicle Parking			
Does the site have any existing vehicle/cycle parking spaces or v spaces?	vill the proposed development a	ndd/remove any parking Yes	□ No
Please provide information on the existing and proposed number	of on-site parking spaces		
Type of vehicle	Existing number of spaces	Total proposed (including spaces retained)	Difference in spaces
Cars	4	4	0
	ı	1	ı
10. Trees and Hedges			

Yes □ No

Are there trees or hedges on the proposed development site?

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?	Yes	ℚ No	
If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of your local pla required, this and the accompanying plan should be submitted alongside your application. Your local planning a website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, den Recommendations'.	uthority	should ma	ke clear on its
11. Assessment of Flood Risk			
Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning. You should also refer to national standing advice and your local planning authority requirements for information as necessary.)	□ Yes	No	
If Yes, you will need to submit a Flood Risk Assessment to consider the risk to the proposed site.			
Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?		No	
Will the proposal increase the flood risk elsewhere?		No	
How will surface water be disposed of?			
☑ Sustainable drainage system			
Existing water course			
Soakaway			
☐ Main sewer
