Subject: S/2019/1728/MAF (152/154 Watling St East, Towcester)

Dear Maria

Thank you for consulting me on the amendments to the above application. My original comments (dated 3rd Oct 2019) still stand and I recommend an archaeological condition, using the standard NCC wording, to cover the recording of both buildings prior to conversion, and observation, investigation and recording of archaeological remains during development.

Regards
Liz
