<b>Comments</b>	<input type="text" value="As a resident of Greens Norton I feel that the village infrastructure would not cope with any more houses. The doctors surgery is already overwhelmed with it becoming increasingly difficult to get an appointment, the school does not have the space to accommodate more families. During rush hour and especially if there has been an accident in the surrounding area the traffic is crazy with tail backs back to the rugby club from the wayside round about most mornings. If houses were to be built on this land, the local countryside would be spoilt and the views from the houses adjacent to this road would be ruined."/>
