Town and Country Planning (Development Management Procedure) (England) Order 2015 and Section 4 of the National Planning Policy Framework (February 2019)

In accordance with the above, WEST NORTHAMPTONSHIRE COUNCIL has worked with the applicant in a positive and creative way by offering to engage in pre-application discussions and, where possible, by enabling problems to be resolved within applications in accordance with its adopted protocol on 'Negotiating Submitted Applications'. Where the applicant chooses to engage in pre-application discussions, the outcome of these will be referred to in the application report. In responding to pre-application enquires and determining formal applications, WEST NORTHAMPTONSHIRE COUNCIL always seeks to look for solutions rather than problems so that applications for sustainable development can be approved, thereby resulting in improvements to the economic, social and environmental conditions of the area.

CONDITIONS

The applicant's attention is drawn to the need to comply with all conditions imposed on this permission. Failure to do so could result in the council serving a breach of condition notice against which there is no right of appeal.

Under the Town and Country Planning (Fees for Applications, Deemed Application, Requests and Site Visits) (England) Regulation 2012 there is a fee payable each time you make a request to discharge any of the conditions attached to this permission. You can apply to discharge more than one condition at the same time. At the time of this decision the fee is £34 per request for householder development and £116 per request in all other cases. The fee may be more when you come to apply for the discharge of condition if the Regulations have been amended. The fee is payable when you submit the details to discharge the condition(s). The Council has '1app' forms for such applications, but their use is not mandatory.

There is no fee for the discharge of conditions on listed building consents.

The Council has eight weeks to respond to applications to discharge conditions, so you will need to make your application in good time before commencing development.

Material Samples

Please note that where any of the above conditions require the approval of materials, material samples are no longer accepted at the Council offices and should in the first instance be left on the application site for the relevant case officer to view and assess in context with its surroundings. Material samples and sample panels should be placed/erected on the site before an application to discharge that condition(s) is submitted.

Should leaving samples on site be impractical then arrangements should be made with the relevant case officer to view samples on site.

NOTES TO APPLICANTS :

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months (12 weeks in the case of householder or minor commercial development) of the date of this notice **(see exceptions below)*

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions it imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK](#)

If this decision relates to the same or substantially the same land and development as is already the subject of an **enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so **within 28 days of the date of this notice.****

If an **enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within:*

28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.*

PURCHASE NOTICE

If either the local planning authority or the Secretary of State refuse permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to

purchase his interest in the land in accordance with the provisions of part VI of the Town and Country Planning Act 1990.

BUILDING REGULATIONS

Any permission granted by this document relates solely to planning permission. Approval under the building regulations and other legislation may be required before works commence.

Development Monitoring
